Ceremony 1952

4 April 1952

Dear Dean Park:

Mrs. Lyons informs me that you were good enough to intercede in our behalf, with Dr. Craven, and I am delighted that he has accepted our invitation to come and speak of Thomas Paine. I am certainly beholden to you for this service to us, and I think that you will be compensated in some small measure by the pleasure which his appearance at the University will give to members of the faculty and students who happen to be at the ceremony.

With kind regards, believe me,

Faithfully yours,

Ralph W. Sockman
